

## EXPERIENCE PHUKET AT ITS BEST

**Twinpalms Phuket** offers the comfort of luxury resort, combined with the relaxing tranquility of a secluded getaway resort. There are only 97 luxurious and spacious Residences, Suites and Rooms, each surrounded by palms, with all of the units featuring a private terrace and offering a pool view.

The unique design of **Twinpalms Phuket** was created by Martin Palleros, one of the top landscape architects in the Asia-Pacific region. With a brief to produce a property that has an integrated landscape which works in harmony with nature, the “Contemporary Tropical” design and landscaping incorporate a stunning, world-class water garden. The concern for the aesthetic has resulted in a beautiful and serene setting which has a modern, romantic twist – a Garden of Eden for our times.

**Twinpalms Phuket** is located in a tranquil and exclusive environment, 175 meters from Surin beach, in an area often referred to as “millionaires’ row”. Found on the sought after and highly desirable west coast, the area provides one of the most beautiful and least crowded stretches of golden tropical sand in Phuket. From the airport, it takes about 25 minutes to reach **Twinpalms Phuket**. For more information see [twinpalms-phuket.com](http://twinpalms-phuket.com).

Oriental Spoon Grill & Bar offers an electric atmosphere with a brilliant buzz; an air-conditioned wine room and a long, open-plan martini bar with revitalizing cocktails. The modern, innovative and cutting edge restaurant presents a culinary Thai and an Oriental/Western fusion menu.

Guests of **Twinpalms Phuket** enjoy a preferred, carefree lifestyle at Catch Beach Club on bustling Surin Beach. The private, stylish beach club offers succulent fresh live seafood, delectable pizza from the wood-fired oven, or sumptuous pasta. Worship the sun in ultra comfy beach loungers or people watch at the cool, oversized terrazzo bar. Take your libation around the beach bonfire in the luxury beach lounge, while the sun kisses the distant, vibrant, multi-hued horizon. The unique vessel appeals to those who crave enjoyment and love to share it with others. The 76’ fly-bridge yacht has modern, stylish lines, while the contemporary and fresh interior is tastefully finished with teak, stained walnut and light beige leather. The uninterrupted visual line from the bow to the stern; the spaciousness of the internal layout and the visual relationship between the inside and the outside ooze refined elegance and attention to detail.
