ANNOUNCEMENT

Mr. Petr Kaelli C.E.O of The Unique Collection of Hotels & Resorts is delighted to announce that Palm Grove Resort is the latest addition to the company's portfolio.

Owners of Palm Grove Resort Mr. David Thomas and Khun Pipat commented "we very excited about joining the Unique collection. Being a 5 Star Boutique hotel we feel we have perfect synergy with the management team and the other 8 Unique resorts in the collection.

Palm Grove has already become a destination resort of some stature with superstars from both Thailand and the international scene choosing us as their home away from home and taking advantage of our private pool villas and executive suits for VIP in room check in and fully bespoke personal service not available in the mass hotel market.

We hope you can join us soon for a holiday experience you will not forget and are sure to want to repeat, again and again."

The Palm Grove Resort is a beautiful new boutique property located just 15 minutes from the heart of Pattaya in Na Jomtien just 300 meters from a fine sandy beach.

The resort features a total of 40 superbly appointed suites and villas that are ideal for couples, families or groups of friends:

Deluxe Ocean Lane

Deluxe Ocean Lane suites offer a luxurious bedroom and Thai modern living area with full kitchen facilities. Other facilities include flat screen TV, DVD player, IDD phone, wireless internet and private balcony. Each suite also features a Jacuzzi in the bathroom.

Executive Suites (2 – 3 bedrooms)

Two storey luxurious apartments decorated in a Thai modern style. Executive Suites have either 2 or 3 bedrooms. The living area features a large flat screen and DVD player and a fully equipped kitchenette. Wireless internet access is also available.

The 3 bedroom Executive Suites feature a Jacuzzi on the balcony whilst the 2 bedroom suites have a Jacuzzi in the master bathroom.

Pool Villa Suites (1 – 3 bedrooms)

All the Pool Villa Suites have their own garden, swimming pool and parking. Each villa can accommodate up to 6 people, and makes a perfect holiday home be it for a family or a small group of friends.

Each villa is fully equipped for those who prefer to self cater, but for those special nights why not arrange for one of our chefs to come to your home and cook dinner for you? Staying in one of the villa units you will have a more private holiday in your own home, yet have access to all the onsite facilities as if you were staying in a hotel.

The resort also offers a choice of 2 communal swimming pools, a restaurant and a shuttle service to and from the nearby beach and into the heart of Pattaya.

For more details of the resort please visit www.palmgroveresort.com or contact us on the following:
