Scuba Schools International is a worldwide diver certification agency and educational support organization. Recognized as an innovative leader in diver education, we create state-of-the-art training programs, training standards and materials for all levels of diver education.

SSI is doing great in Thailand and is able to offer some of the best dive tuition and dive experiences throughout the entire Kingdom. Whether it be diving with whalesharks in the world famous Similan islands looking at the offshore islands around Koh PhiPhi and Koh Phuket. Or seeing what lies beneath the surface in the Gulf of Thailand, SSI Facilities can point you in the right direction and ensure that your experience is both exiting and safe.

SSI Quality

The SSI Organization is set up to deliver quality. SSI Instructors can only teach at SSI Training Facilities, which are carefully screened to ensure they meet our standards. SSI Instructors use our highly-effective water training method called *Comfort Through Repetition*. Scuba skills become second nature, so you can relax and enjoy yourself when you go diving.

SSI is the only organization in the industry with this level of quality control and accountability. This means you can have confidence in everyone associated with Scuba Schools International. With more than 2,000 facilities in more than 90 countries including Thailand your certificate will be recognized where ever you want to dive.

Divers

Certification gives you lifetime access to diving services, dive boats, diving activities and travel opportunities worldwide. Since certification is for life, it is the diver's responsibility to maintain proficiency with their knowledge and skills, keep their equipment serviced, and dive within the limits of their comfort and ability.

Instructors

SSI has certified tens-of-thousands of instructors worldwide. These instructors teach and certify divers through SSI Training Facilities. Instructors are responsible for meeting SSI Training Standards, using current materials and renewing their active status with SSI annually. Instructor performance is monitored by their training facility.

Authorized Dealers

SSI Training Facilities include professional retailers, resorts, live-aboards, clubs and colleges all over the world. Training facilities operate a scuba diving school for diver and dive leader training; sell, rent and service high-quality equipment; sell compressed gas; and run trips, activities and boats for diving.
