

## Luxury Spa Educational to Thailand

Honeymoon Worldwide Holidays and Tourism Authority of Thailand co-hosted their first luxury Resort & Spa educational to Thailand on the 24<sup>th</sup> May.

The educational group which consisted of some of the best consultants from NSW spent 7 days taking in some of the best spa, meals and Thai culture possible in Hua Hin, Koh Samui and Bangkok staying at Evason Hideaway Hua Hin, Melati Koh Samui & Metropolitan in Bangkok.

Honeymoon Worldwide Holidays organized a 30 minute spa before every site inspection so the agents experienced the different types of spa available in Thailand ranging from Mandara spa to Banyan Tree spa and finished off the Koh Samui educational with a night at Muay Thai (Thai kick Boxing).

Due to the major success this educational, Honeymoon Worldwide Holidays have now made this an annual event with Tourism Authority of Thailand.
